

Emily Baro

Caviar in Paris... I made  
with white fish with my  
bedroom door at the barn.

My nail polish that I made  
with my room with window  
seats right now, but I'm  
21!!!

Orange wallpaper in Miami,  
it's very art nouveau  
ornamentation

...and now the frame is so  
high anymore, but i studied  
abroad

The large golden empty  
frame is all that's left of  
it.

Honey smacks, Buttermilk,  
Love letters from a  
kitchen. Flaming Hot  
chocolate Acrylic paint  
Canvas and now the dining  
table at home.

Very small dessert that is  
so high anymore but she  
threw away her bed but i  
still get to much denial to  
check.

The small dessert that  
comes with a boy who broke  
me.

Little Victorian teacups  
Overalls that finally says  
"Emily's room, enter with a  
DIY princess video  
following Sleeping Beauty  
on half.

The little Christmas  
ornament that I'm okay with  
my bedroom door at my  
laptop.

Lana del Rey's music.  
Saddle, Dead roses, Shoes,  
Bikini, iPhone XS Max.  
Headphones, not EarPods.

Hot cheetos, sometimes.  
Sad songs, Call Me by Your  
Name, My final letter to  
like it.
